In English, we are reading *How to Train Your Dragon* by the award-winning author Cressida Cowell! This exciting story links perfectly with our topic on Vikings and is packed full of adventure, friendship – and, of course, dragons!

We'll be exploring what life was like for Viking children, learning about myths and legends, and even creating our own dragon-inspired writing.

In Science, we are learning all about forces. We'll be discovering how gravity, friction, and speed work in the world around us. We have lots of experiments to test out how things move and what makes them stop!

You've all been amazing this term at bringing your homework back every week – well done, Year 5!

Homework goes out on Friday and should be returned the following Friday.

Our reading prizes have been restocked and are ready for another term! Remember: read three times a week for a punch on your reward card. Keep up the great work, readers!

This term, PE will be **every Monday morning** with Mr O-Neil and **every Thursday afternoon** with Mrs Wilson.

Our topics are gymnastics and football!

Please come each week with your full PE kit and sensible trainers and be prepared to be outside!
