

CLASSROOM NEWS

Autumn Term 2024 • admin@smcps.co.uk

Hello, Year 3!

We are going to have such a lovely year together! In Year 3, you will explore lots of different topics such as: Different settlements, Ancient Egypt, Europe and climates. To start our learning off, our topic will be: The Stone, Bronze and Iron Ages.

In writing, we will learn how to write for different purposes such as: stories, letters and diaries, all for different audiences.

You will learn lots of important number facts to improve your number sense and to explore calculation strategies. We will look at addition, subtraction, graphs, length, perimeter, time and fractions – to name a few!

We cannot wait to teach you all this year, if you have any questions, please send me a message on Class Dojo!

See you soon,
Miss Cunningham

PE Days

Monday – Mr O’Neil
Thursday – Miss White
Please bring outdoor and indoor kit wherever possible!

Stone, Bronze and Iron Ages

This term, we are HISTORIANS!

We will begin by learning what we mean by ‘prehistory’. There were no written records at this time (before the Roman arrival) so historians must examine physical artefacts such as the remains of buildings and tools, to learn about history. We will first look at the people of the early Stone Age before discovering the impact of agriculture during the Neolithic period. We will then look at the changes brought by the use of metals such as bronze during the Bronze Age and iron in the Iron Age. After studying the three ages of prehistory, we will investigate Stonehenge and discover what it tells us about the people who once lived in prehistoric Britain.

Don't forget to check Class Dojo for updates and examples of all the wonderful work your children have been doing in school and at home!

Our Class Text

Stone Age Boy

IMPORTANT NOTICES

Reading at home with an adult is so beneficial! Please listen to your child read as many times as possible in the week (at least 3 times.) Their reading record should be signed and returned to school each Friday please.

Times tables are so incredibly important! Click on the QR code for a quick link to TT Rockstars! We will have weekly in-class competitions for the people who use TT Rockstars at home
