

Year 6 Classroom News

Autumn Term 1 2026 » admin@smcps.co.uk

Welcome to Year 6!

This is going to be an amazing, busy last year at St. Mary's and I can't wait to get started!

This year is a very important one where we will need to try our best with our learning, celebrate your time at primary school and prepare you for the exciting transition to secondary school.

Homework will be given every **Friday** and needs to be returned on **Thursday**.

Please try to keep up your fantastic work with homework, spellings and reading at home!

Look out for further information this term about boosters to help us to with Reading and Maths!

PE

Thursday Morning
and Friday Afternoon

This Term our PE topic is Tag Rugby!

Please come prepared each week with indoor and outdoor kit ☺

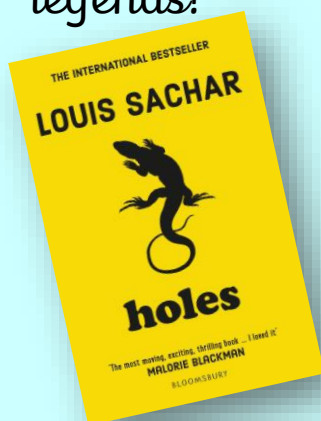

This term we will be historians and our topic will be **Ancient Greece!**

We will explore Athens and Sparta, Alexander the Great and the achievements of the Ancient Greeks.

In Science, we are starting off Year 6 learning all about light! We will investigate shadows and light colour as well as reflection and refraction.

In our English lessons we will study Ancient Greek Mythology and look at some Greek legends!

We are going to read one of my favourite books this term - Holes by Louis Sachar!

Times Tables Rock Stars is a great way to improve your speed with times tables in preparation for SATS!

Don't forget to check our class dojo page for photos and importance updates!
