

Meet the teacher

Mrs Rose

During the holiday's I got married and so I am no longer Miss Alexander, my new name is Mrs Rose!

Having already spent some time teaching the children in year 3, I feel very fortunate to be able to teach them again! I am passionate about creating a classroom where children feel happy, confident, and inspired to learn. I strive to make lessons engaging with some challenge to push pupils to exceed further! I am so excited to help the children achieve great things!
